BRAEMOR BRAVE MARSHAL -- We would recommend this bull to the discriminating breeder. His dam was a full sister to the senior champion bull at the National Shorthorn Show at Des Moines in 1953. Another son was used by Dick Hyde of Hastings, Iowa. In fact, every bull calf from Hartsmailing Goldie was used in a good purebred herd.

IDLEWILD RIGHT CHOICE -- After viewing the calves by Marellbar Rodeo in the Clarence Dorman herd, we bought Rodeo, and now have a fine crop of calves on the farm. That heavy rear quarter is not drawn in.

Lots of bone, active, can and will walk. His dam is one of our older and better brood cows. We have had her since the Edellyn Dispersal. She gave us some of the Broadhooks that have done good for us. One just sold December 11, open, for \$710. Semen tested and very good.

Craig, the three time winner of the Vannata Trophy as top sire in Indiana over all breeds, also sired Vannata Trophy as top sire in Indiana over all breeds also sired our runner-up Keystone Rodney 2, that finished a close second.

White, Beath Farms

S & T UPWARD BOUND 3rd -- First prize senior calf at the 1965 Nebraska State Fair and second at Iowa. He was a member of our first prize bull groups at both Iowa and Nebraska last year. Malcolm Tucker told us that S & T Beauty 2nd produced more high-priced calves for him than any cow he ever owned. She has a heifer calf at side now that is probably the finest calf on the farm. This is one of the best young bulls that we have ever sold. We want to reserve semen rights.

GOLDEN CHAIN 4th -- A good-headed, deep-bodied individual ideal for 4-H or FFA breeding heifer. Out of the same cow as the heifer calf purchased by Sandra Neujahr at the Columbus Sale a couple of years ago that did a lot of winning for her at the County Fair, State Fair and Ak-Sar-Ben.

51st ANNUAL OMAHA SHORTHORN SALE

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirtydays prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

Real Good Bulls Sell

More and More people are finding that The OMAHA
Annual Spring Sales are the best place to Buy more
for their money than any other Sale.

Your pick of VALUES-- Gaining Ability ... Quality ... Beef Type ... Top Bloodlines!

Again, OMAHA offers the most in QUALITY and largest number of Shorthorn bulls to be offered in any one sale in America.... Plan now to see this fine array of top herd bull prospects consigned by leading breeders of the Midwest. Why not plan to attend the Polled Shorthorn Sale on Saturday, February 26, 1966.

FROM The Sale Manager -----

Once again, the Omaha Sales will be the largest offering of Shorthorn and Polled Shorthorn bulls to be made any place in America this year. This is their 51st annual running, and during that time outstanding commercial and registered cowmen have made top herd bull selections in these Omaha events and returned them to their farms and ranches from Canada to the Gulf and from California to New York.

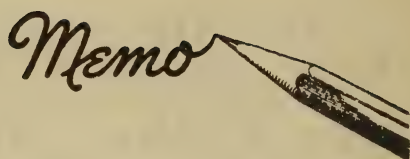

Here at Omaha, you will not just find the tops from one state, but the very best from eight states..

Cattlemen most assuredly from all over America, look to these Annual Omaha Events for sound breeding cattle and this is surely the crossroads of America's modern beef industry.

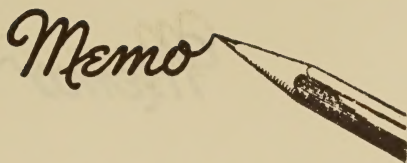

We sincerely appreciate Ak-Sar-Ben's cooperation in making their modern facilities available for these outstanding livestock events.

The long range future, looks good for the beef business and there is no better way for any breeder, purebred or commercial, to make his cow herd more profitable than to use a better bull. As always, Omaha is the place to do it again this year.

THE CATTLE FUTURE LOOKS GOOD

"BULLS ARE A COST OF DOING BUSINESS" AND IF YOU OWN 10 COWS OR MORE THE MONEY YOU SPEND FOR YOUR NEXT BULL CAN BE YOUR BEST INVESTMENT!

Simple Cowboy arithmetic shows a good bull is more than half the herd and these simple basic steps can make your business more successful and enjoyable.

- (1) Buy the Best Bull you can afford, even if he costs what you expect to obtain for 10 of his average sons.
- (2) Save all of the best daughters of this Bull.
- (3) Repeat this program in 2 or 3 years, make sure that the next bull works improvement on the previous bull's daughter.
- (4) Come to Omaha Febr. 25 & 26 to Buy the Best Bull you have ever owned.—
